Chennai 600086, Tamil Nadu, India

NAAC Accredited - Graded 3.68 CGPA on a Four Point scale

**NATIONAL CONFERENCE ON
EMERGING PARADIGMS IN HIGHER EDUCATION:
2020 AND BEYOND**

Organised by IQAC

**22nd January 2020
10.00 am to 4.00 pm**

**Venue: SS Block (Conference Halls)
Stella Maris College**

About the Conference: The challenge of Higher Education focuses on updating the curriculum to meet the requisites and raise the benchmarks for today and tomorrow. The key issues and indicators in Quality Higher Education not only include regular assessment of syllabi, teaching-learning-evaluation methodologies but also raise thought provoking queries about providing holistic development for students to increase employability and for encouraging socially responsible citizenship. The Internal Quality Assurance System plays a proactive role in promoting measures for institutional functioning and Total Quality Management towards Quality Enhancement. Every Higher Education institution (HEI) needs to understand Quality Assurance responsibility as being the key to further develop the knowledge of current and emerging practices across fields and at all levels to establish ways of co-creating solutions and to reframe existing paradigms in ever renewing ways.

This Conference provides a platform to assess the best practices that are being followed in various HEIs and project the measures to be taken in future to keep pace with the global scenario.

This conference aims to:

- Examine the present practices and initiatives directed towards quality improvement for a holistic approach to quality assurance
- Identify the challenges and opportunities for sustaining quality in Higher education
- Explore a process based approach in quality education
- Identify and cater to the needs of the external and internal stake holders
- Propose new initiatives to meet the changing Higher Education Scenario

The sessions of the One - Day conference will emphasise on the topics:

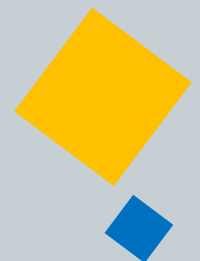

Quality assurance responsibilities

Developing Quality Information System

Learning environment of students

Professional development of teachers in Outcome Based Education

Quality enhancement practices using digital tools
