

The Fine Class of 1990

42 young girls enrolled in the year 1990 to do their BA in Fine Arts of which a few managed to stay in touch after their graduation in 1993 and finally reunite 25 years later! To commemorate this hallmark year, 14 friends of the final 38 strong batch of '90 decided to have a reunion in the town of Karaikudi, renowned for its artistic heritage, followed by a nostalgic on-campus get together.

The memorable journey started on the 9th of December, 2017 in Karaikudi with its beautiful and peaceful environs providing the perfect blend of culture and comfort for some exclusive bonding time for the entire team. The traditional architectural backdrop of Chettinadu with its antiques, craft processes like the Athangudi tiles making and basket weaving, and of course the endless flavours of its cuisine kept all the members enraptured. Finally when the alumnae made their way back to Chennai and Stella Maris College campus on 12th December, 2017 it was to recollect with fondness their time in their alma mater and to rejoice in their 'new' found old mates and to relive those times of togetherness with friends and teachers joining in on the celebration.
