

Training in Life skills/soft skills

A session, for Principals and Senior Teachers of the schools run by the Franciscan Missionaries of Mary in Chennai, was conducted to highlight the importance of Lifeskills. There were about 22 participants and Dr. K.V Kishore Kumar, Director, The Banyan, Chennai, was the trainer. The session was conducted to emphasize the importance of life skills and to introduce them for school children, in order to promote their good physical and mental health. The participants showed interest in taking back the learning to their classrooms. A three-day life skills workshop will be organized in the next academic year.
