

The Alumnae Association of Stella Maris College (Autonomous)

Mission

To reaffirm the mission and vision of Stella Maris College through promoting a positive and beneficial bond between past and present Stella Marians and fostering a life-time commitment and involvement with the College.

Vision

The AASMC aspires to be an integral unit of the institution which channels and drives the networks among all Stella Marians, inspiring them to commit to direct and indirect philanthropic involvement in the College for its progress and development.

Goals

- Create dynamic, creative and meaningful connections between alumnae and between alumnae and the College community
- Foster a sense of belonging and kinship between alumnae and the College community by establishing an inclusive and open environment for interaction and communication
- Diversify activities so as to create more opportunities for meaningful engagement between alumnae and their alma mater
- Form country-wise Chapters to increase connectivity and fellowship
- Develop a strategic plan for financial and professional sustainability of the AASMC
- Increase online connectivity through the AASMC App, and other social media
