FEEDBACK AND ACTION TAKEN REPORT ON CURRICULUM

Academic Year 2019-20

Code: 15BI/PE/RM14

- Research Methodology should be moved to second semester from third semester as major paper

Code: 15BI/PC/PL34

- The Programming on Java subject suggested instead of Perl

Code: 15BI/PC/BP14

- Biophysics recommended as a mandatory subject

#### Action Taken

In 2019 syllabus, the suggestion for moving research methodology paper to second semester was incorporated as core paper.

Based on the alumni suggestion and industry need, the Perl subject was retained to gain the basic knowledge of programming language.
