DEPARTMENT OF BOTANY
PROGRAMME-B.Sc. PLANT BIOLOGY AND PLANT BIOTECHNOLOGY
FEEDBACK AND ACTION TAKEN REPORT ON CURRICULUM

Academic Year 2017-18

Code: 15BT/MC/CM54

- to combine Units 4 & 5 into a single unit and to restrict transcription and translation only to prokaryotes
- to include DNA damage under Unit 3.3

Action taken

Relevant and necessary action will be taken during next restructuring

Code: 15BT/MC/MB54

- to shift few subunits from Unit 2 to Unit 1

Action taken

Relevant and necessary action will be taken during next restructuring

Code: 15BT/ MC/PP64

- to delete the names of micronutrients mentioned under Unit 2 to delete anaerobic process under Unit 4.1
- to change the name of Unit 5 to Growth and Development
- to transfer Unit 5.1 (Growth: Kinetics and Growth Curve) to the Microbiology paper

Action taken

Relevant and necessary action will be taken during next restructuring

Code: 15BT/MC/PG64

- to change the name of this paper to Plant Biotechnology
- to place Unit 4 and 5 before Unit 2

- to include Plant Genome Organization and Molecular Markers (like RAPD, RFLP) to delete Unit 3

Action taken

Relevant and necessary action will be taken during next restructuring

Code: 15BT/MC/ GP 64

- to mention allelic and non-allelic interactions under Unit 1.2
- to include classical examples from plants under Unit 1.3
- to include Mutation and Chromosomal Aberrations under Unit 2

Action taken

Relevant and necessary action will be taken during next restructuring
