FEEDBACK AND ACTION TAKEN REPORT ON CURRICULUM

Academic Year 2016-17

Code: 15CM/MC/FA15

Financial Accounting

- Loss of Profit can be excluded from Unit 2 and loss of stock with average clause would be adequate
- Suggested to remove Unit 5 since it is not relevant in the current scenario

Code: 15CM/MC/CT25

Cost Accounting

- Suggested to remove Operating costing from Unit 5
- In Unit 4, Methods of overhead absorption could be specified
- Suggested to remove Inter-Process Costing

Code: 15CM/MC/LB34

Legal Aspects of Business

- Suggested to divide Unit one into two
- Suggested to remove Sale of Goods Act from Unit 3 and the same could be included under the Contract Act.

Code: 15CM/MC/MA34

Management Accounting

- Suggested to have Decision Making in Marginal Costing as a separate unit and to include Product Elimination and Shutdown of departments/units.
- Suggested to remove Standard Costing

Code: 15CM/MC/FM44

Financial Management

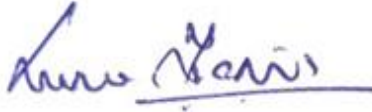

- Unit 4–Capital Budgeting could be included in Management Accounting
- Suggested to include capital structure theories alone and to include NI, ROI, Traditional approach and MM

Other Matters

- The course titled ‘Business Analysis using Computers’ was presented and the syllabus was passed as an Allied Core Course instead of Business Mathematics.
- It was also suggested that this course be offered in the fourth semester. Hence the Allied Core course Statistical Technique for Business be shifted to the third semester and titled as Business Statistics with minor modification

Action Taken

Relevant and necessary action will be taken during the next restructuring.
