DEPARTMENT OF CHEMISTRY
PROGRAMME: M.Sc. CHEMISTRY
FEEDBACK AND ACTION TAKEN REPORT ON CURRICULUM
ACADEMIC YEAR 2015—2016

Feedback

- Suggestions to include more reference books in the department library
- to avail book bank facility

Advanced Physical Chemistry : **15 CH/PC/PC14**

The Board suggested than in Unit 4 :4.2 Structure of double layer to be removed .

Structural Inorganic Chemistry : **15 CH/PC/SI14**

Other catalysts other than Ziegler Natta catalyst could also be included

Inorganic Qualitative and Quantitative Analysis-Practical : **15CH/PC/P214**

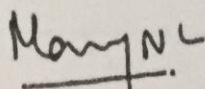

To include 2 preparations involving 2 steps instead of the present one step preparation of complexes.

Organic Separation and Analysis - Practical : **15CH/PC/P324**

To specify that only unit 2 for end semester practical

Action Taken

The above suggestions are taken into consideration during the next restructuring of curriculum. More books were purchased and added to the department library. Students were encouraged to avail book bank facility.
