

STELLA MARIS COLLEGE (AUTONOMOUS), CHENNAI

Department of Sustainable Energy Management

Feedback and Action Taken Report

2015-2016:

The college was selected by UGC in August 2015 to offer Bachelor of Vocational Degree (B.Voc. Degree) programmes in two disciplines namely **Food Processing & Quality Control and Sustainable Energy Management**. *The aim is to enhance Skill training and employability of graduates*. The University of Madras communicated on 16 September 2015, granting permission to start the B.Voc. Degree Programmes from the academic year 2016-2017 and the programme was started in 2016. This programme is competency based and the curriculum is organised such that it includes the content of the Qualification Packs graded by NSQF at levels 4 to 7.

The Board of Studies was conducted in 2015 to discuss and formulate the syllabus. Besides the University examinations for the B.Voc. Degree, the students are also assessed by the Sector Skill Council - Green Jobs and the certifications awarded by NSDC for the respective Qualification Packs.
