### **The feedback process of the curriculum by Alumni**

The Alumni Association of the College has regular meets both at the college level and the departmental level.

These meets foster progressive association and the feedback on enrichment of the curriculum are invited.

These initiations result in networking with professional/ entrepreneurial Alumni.

At least one member of the Alumni is included in the panel of the Board of Studies.

The Alumni from the Industry express their suggestions for inclusion of the relevant topics for better employability.
