Jan Andolan Campaign on COVID-19

As our country is experiencing unlock in phases, the Jan Andolan campaign launched by our Prime Minister Sri Narendra Modi emphasizes on people's participation to "Unlock with precautions" i.e., COVID-19 Appropriate Behavior.

The three main highlights of the campaign that is to wear a mask, to follow physical distancing and maintain hand hygiene.

On 10 October 2020 during online classes, the students, faculty and staff of our College took the pledge to take necessary precautions and follow norms to defeat COVID-19.

The students and faculty of both Shift I & II participated in taking up the pledge.

The College believes that through discipline and collective determination to follow and practice the norms set by the Government we can win over the fatal virus.
