PRAYER OF SAINT FRANCIS OF ASSISI

Patron, Franciscan Missionaries of Mary

Lord, make me an instrument of your peace;
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is discord, harmony;
Where there is error, truth;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
And where there is sadness, joy.

O Divine Master, grant that I may not so much seek
To be consoled as to console;
To be understood as to understand;
To be loved as to love with all my soul;
For it is in giving that we receive;
It is in pardoning that we are pardoned;
And it is in dying that we are born to eternal life.

A Student's Prayer

St. Thomas Aquinas

Creator of all things,
true source of light and wisdom,
origin of all being,
graciously let a ray of your light penetrate
the darkness of my understanding.

Take from me the double darkness
in which I have been born,
an obscurity of sin and ignorance.

Give me a keen understanding,
a retentive memory, and
the ability to grasp things
correctly and fundamentally.

Grant me the talent
of being exact in my explanations
and the ability to express myself
with thoroughness and charm.

Point out the beginning,
direct the progress,
and help in the completion.

I ask this in your holy name.

Amen.

ABOUT THE COLLEGE

Stella Maris College, a Catholic minority institution of higher education for women is an autonomous institution affiliated to the University of Madras and is partly residential. It is managed by the Society of the Franciscan Missionaries of Mary, a Catholic religious congregation founded by Blessed Mary of the Passion (Hélène de Chappotin) in Ootacamund, Tamil Nadu, in 1877. Guided by her charism, the initiatives of the College arise from a sound philosophy of life based on faith in God and the contemporary reality of a pluralistic Indian society that is challenged by global ideologies and cultures.

The College was founded on 15th August 1947 in a small one-storeyed building with 32 students in Santhome, Mylapore, Chennai. In 1960, it moved to its present campus “The Cloisters” on Cathedral Road in the heart of the city. Today, the College has an enrolment of nearly 4,500 students from diverse backgrounds, communities and nations.

The College is committed to serving the economically and socially marginalised sections of society. It provides university education in a Christian atmosphere for deserving students, especially those belonging to the Catholic community. Admission is open to all, irrespective of caste and creed and their rights of conscience are respected.

The College became autonomous in 1987 and has currently 19 undergraduate and 12 postgraduate programmes with five departments offering M.Phil. programmes and six departments offering Ph.D. programmes. Postgraduate diplomas and certificate courses are also offered.

With the introduction of the Choice Based Credit System (CBCS) in 1997, the College began offering new academic programmes, including interdisciplinary courses. The goals of the CBCS are as follows:

- to provide a broad-based, liberal education for all students
- to provide them with greater flexibility in the choice of courses
- to enable them to choose courses at basic / advanced levels
- to enable highly motivated students to go beyond minimum requirements and earn extra credits

Truth and Charity is the motto of the College. The College strives to encourage young women to continually search for Truth, and grow into mature and responsible women, ready to face the challenges of life at home and in society. The ceaseless quest for truth and the untiring spirit of selfless service is the hallmark of a true Stella Marian.

The College emblem represents a ship sailing on stormy waters led by a star. This symbolises the student's life, guided amidst tempests by the light of Stella Maris, the Star of the Sea.

Blue and Gold are the colours of the Stella Maris standard. Blue symbolises truth, loyalty and fidelity and gold symbolises love, zeal and charity.

VISION AND MISSION

Vision Statement

The vision of the College is to build a vibrant and inclusive learning community in a culture of excellence sustained by a sound value system that promotes responsible citizenship and effects social change.

Mission Statement

The mission of the College is to empower young women to face the challenges of life with courage and commitment, to be builders of a humane and just society, and to promote a learning community in which all, especially those from less privileged backgrounds, feel part of the collaborative high quality educational process which is value based and leads to holistic growth.

To realise this vision and accomplish its mission, the College has set the following objectives:

- To nurture in the College, a community of individuals endowed with intellectual curiosity, and an eagerness for lifetime learning who will use knowledge creatively for social transformation
- To form women of character with sound moral principles and integrated personalities
- To instill in the students a sense of national pride and appreciation of Indian traditions and cultures
- To create awareness among students about current socio-economic, political and cultural issues and to denounce all forms of oppression relating to class, caste and gender
- To sensitise students to environmental issues, thus motivating them to promote ecological justice and sustainable development
- To establish a link between the institution and policy makers through collaborative research leading to social development

THE STUDENT

Every student is encouraged to make the most of every opportunity given to her to develop and grow into the best person she can possibly be. The spirit of Stella Maris is one of truth, purity of life, charity, service and devotion to God and one's country. It is for each Stella Marian to imbibe this spirit and emulate these ideals in all her actions.

Truth and Charity is the hallmark of a true Stella Marian and should be reflected in her character, relationships and interactions, both within the college community and in society at large. A Stella Marian should be sensitive, courteous, caring and compassionate and uphold the virtues of honesty, respect for elders and kindness towards all.

Every Stella Marian should apply herself to regular, systematic and concentrated study. Such sustained efforts will ensure that she achieves a high level of academic excellence and overall development.

For a Semester:

$$\text{GRADE POINT AVERAGE [GPA]} = \frac{\sum_i C_i G_i}{\sum_i C_i}$$

GPA = *sum of the multiplication of grade points by the credits of the courses in a semester*
sum of the credits of the courses in a semester

For the entire programme:

$$\text{CUMULATIVE GRADE POINT AVERAGE [CGPA]} = \frac{\sum_n \sum_i C_{ni} G_{ni}}{\sum_n \sum_i C_{ni}}$$

CGPA = *sum of the multiplication of grade points by the credits of the entire programme*
sum of the credits of the courses of the entire programme

C_i = Credits earned for course i in any semester.

G_i = Grade Point obtained for course i in any semester.

n refers to the semester in which such courses were credited.

- The class obtained by a student will be indicated in the Consolidated Marks Statement issued to her on successful completion of the programme.
- The University of Madras confers the degree on the students on successful completion of the programme of study.

UGC GUIDELINES FOR B.Voc.

Letter Grades and Grade Points: The UGC recommends a 10-point grading system with the following Letter Grades as given below:

Letter Grade	Grade Point
O (Outstanding)	10
A+ (Excellent)	9
A (Very Good)	8
B+ (Good)	7
B (Above Average)	6
C (Average)	5
P (Pass)	4
F (Fail)	0
Ab (Absent)	0

A student obtaining Grade F shall be considered failed and will be required to reappear in the examination.

Computation of SGPA and CGPA: Following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) may be adopted:

- The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the course components taken by a student and the sum of the number of credits of all the courses undergone by a student in a semester, i.e.

$$\text{SGPA}(S_i) = \sum(C_i \times G_i) / \sum C_i$$

C_i =Credits earned for course i in any semester

G_i =Grade Pointsobtainedfor course i in any semester

- The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.

$$\text{CGPA} = \sum(C_i \times S_i) / \sum C_i$$

S_i = SGPA earned for course i in any semester

C_i = Credits earned for course i in any semester

Supplementary Examinations

- For students who fail to secure the minimum for a pass in the End Semester Examination, Supplementary Examinations will be conducted along with the regular exams in November and April.
- Supplementary Exams are also conducted every year in June. An Instant Examination will be conducted for those **outgoing students of the undergraduate and postgraduate programme** who have failed in one course in the final semester and therefore were not able to complete the degree.
- All registrations for supplementary exams must be done **online** through the College **website www.stellamariscollege.edu.in** within **15 days** of the publication of results.

COLLEGE SONG

Alma Mater, our youthful hearts in chorus
Sing of our love and loyalty today:
Proudly we bear thy crest aloft and hail thee
Guide of our lives and star of our way!

Stella Maris, shine on our lives forever
Until our souls are radiant with thy light
Star of the Sea, our eyes shall seek thy guidance
When storms arise and day gives way to night.
Star of the Sea, draw us ever upwards,
Along life's way with thy beacon bright,
Goodness and Truth, great ideals of virtue,
Love ruling all, our courage and our might.

Alma Mater, our youthful souls are offered
By sacrifice, by truth and charity,
Sweet be our days in this our home beloved,
Sweet be the memories we cherish of thee.

Alma Mater, our dear India awaits thee,
Mother of hearts both generous and brave.
Give to our country heroines and patriots,
Hearts that will serve, devotion that will save.

என் வாழ்வுப் பாதையிலே

அனைத்தையும் ஆளும் அன்பே !
அலைகடல் ஒளிமீனே! எம்

அறிவுத் தாயகமே !
அருள் நெஞ்சமும், மாறா வீரமும்,
ஆளும் தலைமையும் அயரா துழைத்து
தாய்த்திரு நாட்டினைத் தரணியில் உயர்த்திடப்,
பொற்புடை மாதரை அளித்திட,
உணையே நோக்கும் நம்மாருயிர்ப் பாரதம்
அலைகடல் ஒளிமீனே! எம்

TREE PLANTING SONG

Stay here for us, for we must leave
Our Alma Mater dear
Send deep your roots, grow strong and straight
As we were nurtured here.
The class of... must part
From this campus, yet so dear,
We'll leave you here, dear little tree,
To be our souvenir.

The Cloisters' noble silent trees
Were our professors too
Who whispered to our listening hearts
What we should be and do,
So you'll remind us, little trees—
For oft we'll think of you—
To be as open to the light,
To grow as good and true.

We thank you, Stella Maris dear,
For your maternal care
For all the goodness and the truth
You tried with us to share,
And by the steady light you gave
Our homeward way to chart,
We'll reach the port of Endless Spring
Adieu, but ne'er to part.

HOSTEL SONG

East and West are happily combined
North and South leave rivalry behind
For here no barrier can rise
All tongues and races harmonise.

Star of the Sea shine on our hostel home
Keep us united in the years to come
We'll ne'er forget the student days we share
Our youthful hearts are fair and free from care
Though we be far from home or country dear
Our common ideal makes us one family here
In work or play our constant aim shall be
Sacrifice, truth and sincere charity.

And when duty's task is done each day
Stella Maris rings with laughter fair
In life we learn to face each trial
With courage and a cheerful smile.

THE PLEDGE

I promise to serve my country, to the best of my ability
To live up to the ideals of my Alma Mater
To be firm in my faith and trust in God,
To work and pray for unity, peace and progress in my country
To use my education and experience
to help the less fortunate,
and in my life to be pure and sincere,
seeking the highest good,
in all things worthy of my model,
THE STAR OF THE SEA .
