### **Industrial Visit to Eco Kitchen**

The students of second year B. Voc BFSI visited Eco Kitchen, a branch of YGR Care, Injambakkam on 4 August, 2023. This was performed to expose students to new and successful ventures. The students were briefed about the organisation and then visited the plant. The employees explained the process of making healthy, hygienic food and safety measures to be adopted in the food industry.

The students felt that the industrial visit helped them to understand the need to engage in eco-friendly and environment sustainable businesses
