

CLUB FAIR

The **Students' Union 21- 22** conducted the Club orientation for performance clubs and non-performance clubs for the first years on **31st August and 1st September 21- 22** via a webex meet through two different sessions for both the shifts.

All the clubs were allowed to present a 4 minutes video which includes a speech by the club office bearers and the activities that were undertaken by the clubs so far. The orientation was lively and communicative.

Club office bearers of each club presented their motto, prospects, aims and activities aligned for the year.

The club fair was conducted through a wix website link which includes all the google forms of each club along with their introductory video which was circulated through the class representatives of each class on **21st of September**.

The google form was kept open from **9:00am to 10:00pm**.

Once again the google forms for club registration for the newcomers was kept open on **13th October from 9:00am to 10:00pm**.

The club registration website link is given below:
