CHRISTMAS

Melodies

"Christmas Melodies," a performance of Christmas Carols and songs by city choirs to usher in the spirit of Christmas has become an annual tradition at Stella Maris College ever since it was initiated in 2009. Choir groups from churches, colleges and schools participate in this joyous celebration of the imminent birth of our Lord and Saviour on a chilly night in the town of Bethlehem more than 2000 years ago. It is a time of strengthening and establishing powerful bonds of Christian fellowship between different church denominations as well as between people and communities professing diverse faiths, partnering and collaborating with one another to create an ineffable sense of peace and harmony among peoples, overriding differences and dissimilitude.

We invite Church Choirs from across the city of Chennai to participate in this celebratory event on 11 December 2022, from 4:00 p.m. onwards at the Open Air Theatre, Stella Maris College. Join us in making this time a memorable commemoration of the birth of the Prince of Peace.

This day has been reserved for Church Choirs exclusively.
