STELLA MARIS COLLEGE (AUTONOMOUS)

DEPARTMENT OF COMPUTER SCIENCE
organises a
ONE DAY
REGIONAL LEVEL WORKSHOP
on

CYBERAWARE: NAVIGATING THE DIGITAL FRONTIER

Date: 28 July, 2023

Time: 10.30 A.M. to 4 P.M.

Venue: Room F-2-1

St. Francis Block,

Stella Maris College (Autonomous),
#17, Cathedral Road, Chennai - 86.

About the College

Stella Maris College, a Catholic minority institution of higher education for women, was founded in 1947. The College is an autonomous institution affiliated to the University of Madras. It is under the management of the Society of the Franciscan Missionaries of Mary, a Catholic, religious congregation founded by Blessed Mary of the Passion (Hélène de Chappotin) in Ootacamund, Tamil Nadu in 1877. Truth and Charity are the motto of the College. The College strives to encourage young women to continually search for truth, and grow into mature and responsible women, ready to face the challenges of life at home and in society.

About the Department

The undergraduate programme in Computer Applications (B.C.A.) was started in 1998. The postgraduate programme in Information Technology, M. Sc. (I.T.), was started in 2001. The Department also offers a Postgraduate Diploma programme in Computer Science (PGDCS).

The vision of the Department is "To provide a wholesome educational environment, a platform for the students to reinvent themselves and launch into the technological and scientific arena together with human values".

The Department makes every effort to update its curriculum in order to enhance competence, employability and higher education opportunities. Seminars, Workshops, Exhibition, Video Conference and Scholar-in-residence programmes are organised for students to augment the knowledge gained from the curriculum.

About the Workshop

This workshop is aimed at educating the participants on various cyber crimes, security measures and the importance of enforcing digital security. The workshop promotes knowledge seeking in the areas of Computer Security, Cryptography, Digital Money, Secure Protocols and Security Techniques.
