

STELLA MARIS COLLEGE (AUTONOMOUS)

CENTER FOR WOMEN'S STUDIES

CYBER SECURITY WORKSHOP CONDUCTED IN COLLABORATION WITH RUSA

DATE - 21/9/2022

VENUE - OAT

TIME - 12pm

The Center for Women's Studies in collaboration with Rashtriya Uchchar Shiksha Abhiyan (RUSA) organized a **WORKSHOP ON CYBER SECURITY**. The workshop was conducted for the students of Quaid-e-Millath College, Chennai and the First and Second Undergraduate students of Stella Maris College.

The resource person Mr. Rakshit Tandon shared his knowledge of Cyber Security with the attendees of the workshop. Students were made aware of the importance of Cyber Security and the Applications common people can use to make sure their devices are safe from data breaches.

More specifically identification of Data Breach and protection against such breach, Applications and websites were also shared and demonstrated in a live setup. To help students enhance their knowledge in the field, details regarding internships and workshops were also shared. The workshop consisted of an interactive session towards the end, where students and faculty addressed their questions pertaining to cyber security to the speaker. Overall the feedback was extremely positive as they got to explore the technical aspects of security issues

Feedback from Students

“The session was well organized and followed at a comfortable pace. Mr. Rakshit Tandon is a charismatic speaker. Loved every aspect of it”

“It was a very informative and interactive workshop!”

“The session was carried out very well, keeping in mind the perspective of the young generation towards Social Media and the Internet. It has certainly helped all participants become aware and inculcated the need to seek more knowledge in this regard”
