

NON-PERFORMANCE BASED CLUBS ORIENTATION (28.06.19)

The Students Union conducted the Club orientation of non-performance based clubs for the first years on 28th June in the OAT in two different sessions for both shifts. Since the performing clubs had a chance to exhibit their talents during the Freshers' Assembly, the others were given a day especially for the same. Nine non-performing clubs presented their motto, prospects, aims and activities aligned for the year.

The clubs presented in a chronological manner in the first shift – Damini Club, Debate and Quiz Club, Dramatics Club, Enviro Club, Event Management Club, Mime Club, Photography Club, Rotaract Club and Stellaidoscope. In the second shift, the demonstration took place in the reverse order. All clubs used PowerPoint presentations and that made the orientation lively and communicative.
