This event was ideated as a tool to amplify the tremendous energy and capabilities of young girls in generating broader buy-in for the SDGs, in continuation of the SMSD Students Hub that was launched on 13 September 2022 on campus.

The Championship was conceptualized by the collaborative efforts of the UN SDSN Youth, UNSDG Students Program, Stella Maris College, and the Stella Maris Sustainable Development Students Hub (SMSD) Students Hub. The Championship launch also brought collective commitment to the foreground with a group resolution towards upholding the SDGs. **Dr. Rebecca Devaprasad, Stella Maris Sustainable Development Students Hub (SMSDSH) Faculty Advisor** stated, “With the support of numerous zonal collaborative partners, this Championship aims to create student-inspired pioneering solutions by connecting local action with global advocacy. The entire event is to be executed in an environmentally conscious manner; the TN SDG Girls Championship will be a paperless event. It is an initiative to reach nearly 200+ colleges and impact 10,000+ students. Over a period of 3 months, the Championship will progress in phases – orientation, zonal level, college level, and the Grand Finale at the state level, held at Stella Maris College, Chennai.”

The SMSD Students Hub has also debuted successful sustainability projects including Project C – a clothing drive followed by setting up a day’s boutique in Semmenjeri; Know your SDGs series featuring breaktime presentations including awareness videos and demonstrations across the campus; a Mental Health Awareness Week and The Climate Change Outreach Program which aims to mould Climate Warriors to carry the cause of climate change literacy forward. **The Championship will thus buttress the SMSD Students Hub’s continuing efforts to advocate for a cleaner, brighter tomorrow with the support of state-wide zonal collaborative partners.**
