

Support

- The SCEED worked closely with **IQAC** and helped submit the Data for NIRF, The WEEK ranking, India Today Ranking and the AISHE. The centre is also involved in guiding in the preparation of Self Study Report for the NAAC Accreditation – Cycle 4
- Assisted departments to apply for **Project Grants**
 - BUILDER Scheme of DBT by the Science Departments
 - A Joint Programme was initiated with Virginia State University to promote women led enterprises in India and form Indian Women Social Entrepreneurs Network (IWSEN) with the support extended by U.S. Mission India Public Diplomacy Grants Program
- **Networking with Alumni and CGC:** The SCEED collaborated with the department representatives and the Alumni Association in enhancing the alumni enrollment. This culminated in a successful Reunion meeting of the Alumni on 28 September, 2019.

The CGC activities are being facilitated by the formation of student representative group and the departmental representatives group. These groups were invited to suggest prospective companies that can be included for campus placement.
